## PERSONAL PROFILE

A passionate Italian Creative Digital Media graduate and filmmaker from Cork Institute of Technology.

Proven creative ability and teamwork skills from past media-related work experience with a focus on video production, photography, sound design, animations, colourist and visual effects.

Currently seeking an opportunity to work in the media industry to further expand my skills.

## EDUCATION

### **Creative Digital Media (2016 – 2020)**

Cork Institute of Technology

Academic Standing: First Class Honours

Overall Result: 73.40

### **Core Modules include:**

Cinematography, UX design, Time-based media, Virtual Reality, Digital video production, Film language, Video and compositing.

### **Erasmus - Motion pictures (03/2019 - 07/2019)**

Hochschule, Darmstadt,

Hessen, Germany

### **Core Modules include:**

Documentary Interview practice, Super 8 music video, Practical effects, Media management.

### **Super 8 music video project**

- Cinematographer role and co-writer within a team.
- Learnt how to operate a super 8 camera and shooting with only three minutes roll of film, therefore planning was crucial throughout all production process.
- Gained overall knowledge of music video shot on film cameras and how to work effectively in a team. Final submission to film festivals with appropriate press kit.

### **Final Year Project.**

- An interactive implicit decision-making film that used eye-tracking technology to change the outcome of the story.
- Responsible for the cinematography and design of the project. Gained knowledge on how interactive media are created and learnt how to colour correct footage using DaVinci Resolve.

## **Applied science high school (2012-2016)**

Liceo Scientifico Emilio Lussu / Via Bolzano, N°36 09017 - Sant'Antioco - SU

Results 77, Subjects (Math, Physics, Sciences)
